**SUBJECT: ENDORSEMENT OF PROPOSAL TO ACQUIRE A COLLECTION OF ISLAS  
GIGANTES ARCHAEOLOGICAL OBJECTS FROM MR. MARIO YANG**

**DATE: SEPTEMBER 30, 2022**

---

Regarding the offer for purchase by the NMP of a collection of archaeological objects from Mr. Mario Yang of Iloilo City, who credibly claims to have acquired these objects from sources in the Gigantes Islands, Iloilo, for a selling price of P1,000,000.00, and as described in his offer letter of same date above, we favorably endorse approval of the office for the following reasons:

- Mr. Mario Yang is a well-known and respected collector of cultural properties, whose claims as to the provenance of this collection are credible;
- The objects may be considered authentic and merit inclusion in the National Archaeological Repository for both reference and aesthetic purposes, although their scientific value is limited due to the fact that they were not systematically excavated according to archaeological scientific principles and professional best practices;

- The objects can contribute significantly to planned archaeological exhibition at the Western Visayas Regional Museum as well as exhibitions elsewhere; and,
- The quoted price is found to be reasonable. It is worth noting that market values for such objects are not well established in the Philippines, and this acquisition would help in setting a basis for valuations of similar objects in the future.

For your approval.

Thank you very much.
